

Lab 1: Coulomb's Law

Here are the links to the videos you can use to collect data and complete the work in Excel:

Data Collection

Part 1: separation is constant, charge varies <https://youtu.be/TTTsh0ROqBM>

Part 2: separation varies, charge is constant <https://youtu.be/u3zjXqRKz0A>

Part 3: finding torsion constant <https://youtu.be/yRZdqDlaFAI>
